

ADVANCED HALS AND TAMIS

Residents' and Fellows' Workshop

OCTOBER 25, 2023

COURSE DESCRIPTION

This intensive, one-day course is designed for colon and rectal surgery residents and fellows who want to fine-tune their HALS colectomy and TAMIS skills. The didactic session is packed with technical insights aimed at shortening the learning curve, addressing the management of intraoperative complications, and pushing the MIS envelope.

LOCATION

Boston BioSkills Lab
1 Hartwell Place, 1st Floor
Lexington, MA 02421
