

March 7-8 or April 4-5, 2024

Hands-on Endoscopic Training

Day 1 - Mini Symposium Dinner

Day 2 – Didactic Conference and Hands-on Lab Course

All current ACGME Colorectal Surgery Fellows are cordially invited to participate in the 8th Annual Advanced Endoscopic and Endo-luminal Surgery Course. The in-person, hands-on educational training program will focus on the use of advanced endoscopic techniques including EMR, ESD, CELS, FLEX, endoscopic stents, and endoscopic closure methods. Participants will also be exposed to the latest endoscopic energy devices and endoscopic platforms. Space is limited to 30 ACGME Fellows per course. This allows each Fellow a full interactive hands-on learning experience with distinguished Colorectal Surgeons from elite institutions throughout the US. Through educational grants from the industry and trade partnerships, we will host reasonable travel expenses (air, hotel & meals) within the program timeframe for all participating ACGME Fellows.

2024 CONFERENCE CONFIRMATION REGISTRATION FORM

Dear Fellow,

Thank you for your interest in the USC Division of Colorectal Surgery 8th Annual Advanced Endoscopic and Endo-Luminal Surgery Course for ACGME Fellows, hosted by Keck School of Medicine of USC, in Los Angeles, California. The 2-day hands-on educational training program is offered to *only 30 Fellows per course*, on a first come basis. Please return your form asap to secure your spot. Through generous educational grants, and colorectal industry partners, your economy class air travel, hotel, and all meal expenses within the course time frame are fully sponsored **at no cost to you!** All we ask is that you book your flight at least 6 weeks in advance to secure fair priced airfare and potentially allow additional Fellows to attend the course under the allowable budget. USC will book your hotel accommodation.

IMPORTANT - Your reservation will be confirmed upon completion and return of ALL information and documents listed below. In the interim, should you have any questions, please do not hesitate to reach out to the Course Coordinator at Amelia.Cordova@med.usc.edu. We look forward to your participation and mandatory arrival at the hotel by Thurs.- 5:00pm. The course ends on Friday at 5:00pm! Please plan your flights accordingly. Thank you!

IMPORTANT: Please complete ALL information below & return with required documents as PDF attachments, listed under 1 email to: Amelia.Cordova@med.usc.edu
