

**USC Division of Colorectal Surgery 6th ANNUAL
ADVANCED ENDOSCOPY COLORECTAL FELLOWS MASTER
CLASS**
Keck School of Medicine – Los Angeles

March 10th -11th or March 31th – April 1th 2022

Hands-on 1.5 day course

Day 1 - Evening Mini Symposium

Day 2 – Didactic presentation and Hands-on Course

All current ACGME Colorectal Surgery Fellows are cordially invited to participate in the 6th Annual Advanced Endoscopy Fellows Course. This year's in-person, hands-on Educational Training Program will focus on the use of advanced endoscopic techniques including EMR, ESD, CELS, FLEX, Endoscopic Stents, and Endoscopic closure techniques. The participants will be also exposed to the latest endoscopic energy devices and endoscopic platforms such as ORISE and Dilumen. To allow fellows full interactive learning benefits, space is limited to 25 ACGME fellows per course, on a first come basis. Through educational grants from the industry, we will cover reasonable travel expenses (air/hotel) within the program timeframe.
