

February 23-24 *or* March 23-24 '2023

**Hands-on 1.5 Day Course**

Day 1 - Evening Mini Symposium

Day 2 – Didactic presentation and Hands-on Lab Course

All current ACGME Colorectal Surgery Fellows are cordially invited to participate in the 7th Annual Advanced Endoscopy Fellows Course. The in-person, hands-on Educational Training Program will focus on the use of advanced endoscopic techniques including EMR, ESD, CELS, FLEX, Endoscopic Stents, and Endoscopic closure techniques. The participants will be also exposed to the latest endoscopic energy devices and endoscopic platforms such as ORISE and Dilumen. To allow fellows full interactive learning benefits, space is limited to 25 ACGME fellows per course, on a first come basis. Through educational grants from the industry, we will cover reasonable travel expenses (air, hotel & meals) within the program timeframe.

**Course Director**

Sang W. Lee

Professor and Chief, Colorectal Surgery

**USC** Keck School of Medicine
